Brandon W. Shirley has a diverse knowledge of Federal and State regulations. He has extensive experience with State and Federal Medicaid laws, regulations, policies, waiver programs, audits, and administrative appeals having previously served in top-level legal positions with the State of Indiana. His practice extends to Medicaid managed care policies, audits, and disputes. He assists clients investigating and appealing government overpayment determinations or other Medicare or Medicaid sanctions. He assists clients with internal investigations of noncompliance issues involving Medicare and Medicaid billing. He has additional experience with Medicare and Medicaid pharmacy issues, including 340B drug pricing, telehealth and telemedicine, State and Federal site surveys, Department of Health and licensure issues, and Federally Qualified Health Centers.

Mr. Shirley specializes in Medicare and Medicaid fraud and abuse laws, including establishing arrangements that comply with the Anti-Kickback Statute and Stark Law. He has assisted clients facing qui-tam lawsuits, government sanctions, or with government investigations or self-reporting noncompliance. He has extensive experience assisting clients with implementing policies for and complying with Corporate Integrity Agreements.
